PRELIMINARY AMENDMENT OF SPECIFICATION AND CLAIMS

Mail Stop Amendment

The Commissioner for Patents
P.O. Box 1450
Alexandria VA 22313-1450

Sir:

This is a preliminary amendment accompanying a new patent application being filed simultaneously herewith. No fee is believed to be required with this amendment, but, if this is not the case, please charge the requisite fee (or credit any overpayment) to Deposit Account No. 12-0400.

Amendments to the Claims are reflected in the listing of claims, which begins on page 3 of this paper. No new matter has been added.

A Marked Up Version of the Substitute Specification showing all the changes to the specification with underline and strike-through begins on page 11 of this paper.

Application Serial No. 10/582,890
Preliminary Amendment

PATENT
Docket: CU-4882

A Clean Version of the Substitute Specification without markings as to the amended material begins on page 35 of this paper.

Please replace the specification of record with the clean version of the substitute specification attached hereto and replace the claims with those in the listing of claims attached hereto. No new matter has been included in the substitute specification.

Respectfully submitted,

Dated: September 27, 2007
